Frost Brown Todd Expands at Great American Tower at Queen City Square

CINCINNATI – Feb. 22, 2017 – Eagle Realty Group and Frost Brown Todd LLC announce the expansion of Frost Brown Todd onto the 37th floor of the Great American Tower at Queen City Square to accommodate the firm's growing business.

Frost Brown Todd was one of the original tenants in the building in 2011 and currently occupies four floors. With the expansion into approximately 10,115 rentable square feet (rsf), the firm will occupy about 114,000 rsf in the tower. Construction will begin shortly, with Frost Brown Todd planning to move into the space this summer.

"We have executed extremely well on our business development, community engagement, recruiting and retention strategies in the Cincinnati market since we moved to the Great American Tower," said Chris Habel, member-in-charge of Frost Brown Todd's Cincinnati office. "The positive impact of our move to Great American Tower has exceeded our expectations. As a result, we need additional space to fuel that growth while delivering first-in-class service to our clients. We have designed the additional space with efficiency, collaboration and the future of our business in mind."

"Frost Brown Todd became a key tenant in the newest, tallest and most prominent office tower in downtown Cincinnati in 2011, soon after the tower was open for business," said Mario San Marco, president of Eagle Realty Group. "We are pleased to be able to accommodate the firm's growth and continue to offer Frost Brown Todd the amenities, state-of-the-art features and incredible views that Queen City Square offers as the premier office center of our region. As a result of this expansion by Frost Brown Todd, the Queen City Square complex is now 96 percent leased."

About Queen City Square

Queen City Square, downtown Cincinnati's newest, largest and tallest office project, is a development of Eagle Realty Group, a member of Western & Southern Financial Group (Western & Southern). The complex, renowned for its architecturally distinctive tiara at its apex, contains over 1 million square feet of Class A+ office and retail space and 2,300 parking spaces and required a total investment of about \$400 million from Western & Southern. Queen City Square consists of three major components: (i) the 41-story Great American Tower, the city's tallest building and only office tower designed, built and certified as LEED Gold, (ii) the 17-story 303 Broadway office building, and (iii) the spacious Queen City Square Garage. Primary office tenants include Great American Insurance, Frost Brown Todd, KeyBank and Vorys, Sater, Seymour and Pease. With its primary entrance at Fourth & Sycamore streets, the project features a grand promenade at street level with restaurants and retailers. www.queencitysquare.com
